BIMPE will take a 40 % Commission on the sale price. Payment for sales will be in Canadian dollars. (We recommend a minimum sale price of \$50 CDN)

ENTRY FEE

Paypal (see website)

Cheque (In Canadian or US funds only)

Postal Order

Money Order

Cash (At your own risk!)

For artists on a very low budget, or from countries where the rate of exchange makes the entry fee prohibitive, we are open to alternative payment such as print donations. Please contact newleafeditions@telus.net to discuss such an arrangement BEFORE entering.

PRINT LABELS

Please fill out these labels clearly, cut them out and attach them to the back of each print. If you are sending more than one print of the edition, please photocopy the form as many times as you need and attach labels to the back of ALL prints.

PACKING SUGGESTIONS

You will need an envelope, (or brown paper and tape) cardboard, foam core or something that will not bend easily, the more lightweight the better for postage costs.

Cut 2 pieces of cardboard bigger than your plastic sleeve but smaller than your envelope.

Tape your plastic sleeve(s) by the corners on to one piece or cardboard and tape the other piece on top, sandwiching your prints between them.

Wrap the cardboard in brown paper, or use an envelope.

You can use the mailing label provided. Please mark clearly "PRINTED MATTER - NO COMMERCIAL VALUE" on your package.
