

Rules.

Article 1. The International Experimental Engraving Biennial is organized by The Fine Artist's Union Timisoara, in collaboration with Timisoara City Council and Banat Museum Timisoara. Like in the first edition, we promote and sustain the experiment in engraving, new solutions and techniques of printmaking, dialogue with the three-dimensional or recreate the investigate object with the engraving support. Combined techniques, unconventional printing materials like wood, plastic, silk, canvas, synthetic materials, etc, the object like ready made with print surfaces on it, collage, computer art or different others print interpretations, are encouraging.

Location: Banat Museum Timisoara.

Date: October - November 2005.

Article 2. Conditions: No fee is request. The theme is free. All print techniques are accepted, including works made with the computer assistance (see Article 1). New techniques are welcome. The works can be bi-dimensional or three-dimensional. Each artist has the right to choose a free size of his work (for tree dimensional art works). For bi-dimensional works the minimum size is 20x20 cm(print size). Works with large size are welcomes. Each artist can sent **1 work** made after 2003. The work must be signed and dated.

The work should be properly packed, unframed (for bi-dimensional works) and posted no later than **15 September 2005** at the following address:

**CIPRIAN CIUCLEA
STR. IOAN SLAVICI NO.80
300523 TIMISOARA, ROMANIA
INTERNATIONAL EXPERIMENTAL ENGRAVING BIENNIAL**

Together with the work and entry form, please send a short curriculum vitae.

Article 3. The Jury. A selection of the works will be made. A jury from art specialists will select the best works for the exhibition.

The best work from one artist will be awarded with the prize of the Biennial. Also other artist can be awarded with a special prize of the jury.

Article 4. The entry form must be filled out with block letters in English. The label must be filled with the artist's address and glued on the package.

The works will remain in the property of the Timisoara Banat Museum contemporary art collection. The winner work will became also the property of the organizers. The organizers are not responsible for the damage or loss of works during transportation shipping. The organizers are retaining the right to exhibit, reproduce and use any entry for publicity and promotion.

By signing the entry form, each participant agrees to the terms of the rules of the biennial.

Each artist will be announce about the selection works by the jury.

Article 5. The catalogue. A printed and also a digital catalogue will be creating. Each selected artist will receive a free copy of the catalogue. Also you can visit a biennial website at **www.experimentalproject.home.ro**
